The Decatur PTA is a nonprofit organization whose sole purpose is to support learning and community involvement at Decatur Elementary. Each year, we host an annual fund drive to raise funds for our school. This is our only direct fundraising ask.

**Our goal this year is $95,400.**

We are suggesting a donation of $450 per student, but gifts range in size from $100 to $2,500. Family participation is as important to us as reaching our financial goal. Please, give what you can.

**What does the PTA fund?**

*INSTRUCTOR SUPPORT* 51% of this year’s budget is allocated to support the salaries for our instrumental music teacher, librarian, and recess aides.

*CURRICULUM SUPPORT* 27% is dedicated to curriculum support, including classroom grants, instructional books, gardening, Shakespeare, arts, and professional training for teachers.

*TEACHER APPRECIATION & EVENTS* 18% is for appreciation gifts for our hard-working teachers and all-school assemblies and events to celebrate and connect our families.
